

Edu Content – default

TO VIEW THE 12 COLUMN GRID on any design USE SHIFT+G or go to upper left, under the F icon, and then View > Layout Grids

Desktop Specs

All subsequent page visits should default to the Stop/start Sharing page. Educational content can then be accessed via the “sharing data with the provider” link, which would open the same copy in a modal

“sharing data with the provider” link
opens the Educational modal

On the confirmation page, button text
changes from Stop Sharing to **Start Sharing**
